RE: Consumers for Responsible Government (C00616011), July Quarterly Report (4/28/2016 - 6/30/2016)

Dear Ms. Hay:

I represent the above referenced committee and am in receipt of your letter dated August 25, 2016. The letter identifies four expenditures that were made for communications on June 4, 2016 that were not disclosed until July 13, 2016.

The committee was unaware of these invoices at the time the communications were disseminated because they were incurred by a consultant without the approval of the committee's Treasurer, Ray Boucher. In fact, the committee is currently disputing these charges with the vendors.

Once the committee became aware of these invoices, the 24 hour report was promptly amended to include the additional charges that had been incurred since they were in fact related to the communications which were disseminated and final resolution had not been reached with the vendors.

These facts make it clear that there was no attempt to evade disclosure and the committee chose to amend the filing of its own accord once the additional invoices were discovered.

Please feel free to contact me if you wish to discuss or require any further information.

Sincerely,  
OLSON HAGEL & FISHBURN LLP
